**Multicultural Britain
Social Inclusion and
discovering our
similarities**

**"Learn about different
cultures and **how to**
act and behave with
different cultures
in and outside the working
environment"**

This Training Course's Content and Training Timetable

Contents include:

- Improve the awareness of cultural values and how these compare with people from other cultures
- How to communicate effectively and understand South Asian culture
- Religion/culture and its influence in day to day working life
- Seeing the world through other peoples eyes - Looking at how individuals/groups operate from other cultural perspectives - how meetings/formal functions are run, the role of the family, effective and preferred methods of communication etc
- Islam – The role of Islam and its importance for Muslims in multicultural Britain. Areas will cover from place of worship, celebrations, dietary needs, birth, wedding and funerals
- Hinduism – Multicultural Britain and the culture of Hinduism. Areas will cover place of worship, celebrations, diet, birth, wedding and funerals
- Sikhism – Explaining the concept of the 5ks and the cultures around Sikhism. Areas will cover the place of worship, celebrations, diet, birth, wedding and funerals.

- The significance of names and how you could identify 4 factors from a person's surname.
- Christianity, Judaism and Buddhism explained. The British culture and the similarities in the culture and religion.
- Group exercises related to supported housing. The role of support workers/managers and understanding staff and your clients/customers.

An important aspect of the training is:

**To bring professionals together
and motivate them to
embrace diversity and reflect
on their own personal
cultures and practices**
